Your name Creditors/Appellants,

v

In re:
CITY OF DETROIT, MICHIGAN
AND EMERGENCY MANAGER
KEVYN D. ORR

Chapter 9
Case No. 13-53846
Judge Steven W Rhodes

Debtor/Appellee

Case No. 14-cv-10434
Hon. Bernard A. Freidman
Magistrate Paul J. Komives

**OBJECTIONS TO NOTICE AND CONFER SESSION
REGARDING CERTAIN OBJECTIONS TO THE AMEND-
ED DISCLOSURE STATEMENT WITH RESPECT TO
AMENDED PLAN FOR THE ADJUSTMENT OF DEBTS OF
THE CITY OF DETROIT**

PLEASE TAKE NOTICE OF OBJECTIONS;

THE NOTICE IS AFTER THE FACT, UNTIMELY, CONTRARY TO
THE FACTS AND MISREPRESENTATION OF THE BANK-
RUPTCY CODE AND RULES AND HAS NOT BEEN PRESENTED
IN A GOOD FAITH MANNER.

The Bankruptcy Code and Public Act 436 both state that “**only the
municipality can only file for bankruptcy under chapter 9.**” Prior to
filing the petition the proper steps is approval by city council and the

proper person or official is the Mayor. This simply was not done and the court lacks jurisdiction. **The City of Detroit never legally approved, agreed or consented to the Emergency Manager, Kevyn Orr, filing for bankruptcy and Kevyn Orr concealed this fact from the people by his action and contravened MCL 600.5855 Fraudulent Concealment and 11 U.S.C. 903 (1) a State law prescribing a method of composition of indebtedness of such municipality may not bind any creditor that does not consent to such composition; (2) a judgment entered under such a law may not bind a creditor that does not consent to such composition**, thus Kevyn Orr has, failed to meet the requirement of title 11 U.S.C. 903 (c) and there is no binding consent agreement or contract and previous cited objections and/or a correction **should have been dismissed**. In addition, the State, Kevyn Orr an agent of the state and the City of Detroit concealed the fact that the filing of the bankruptcy suit was supposed to be by the proper person or public official by consent of the creditors through their elected officials. City of Harrisburg Pennsylvania, 465 B.R. 744 (Bankr. M.D.Pa 21).

The power to govern remains with the municipality not with the judge or any unelected official, unless State, not Federal, law provides for some alternate system. (121 Cong Rec H39413 (daily ed Dec 9 1975); remarks of Reps. Kindness and Edward. 11 USC 903 Norton Bankruptcy Law and Practice 3d. Congressional Record Statement (Reform Act of 1978).

1. The date that the City of Detroit (the "City")/ Emergency Manager Kevyn Orr filed the Amended Disclosure Statement with respect to the Amended Plan for Adjustment of Debts of the City of Detroit /Kevyn Orr (Docket No. 3382) (the "Disclosure Statement") in this case is erroneous the date was March 31, 2014. Also, and most important is a municipality should, at the very least, attempt to circulate and obtain approval with respect to an **adjustment plan prior to filing for chapter 9, not after the fact as in this case.** Because Section 1126 (b) of the Code applies in chapter 9, a municipality that has reached the adjustment plan to be proposed under title 11 Section 941 of the Code. In re City of Vallejo, 408 B.R. at 280, 296-97 (9th Cir. B.A.P. 2009).

We object to the Disclosure Statement because **the City of Detroit did not negotiate in good faith prior to the filing of bankruptcy** in violation of 11 USC 109 (c). The City's position, for example, was that they were not going to bargain and did not have to because of P.A. 436. Three Police Officers' unions challenged the City's position and stated that it did not negotiate for collective bargaining: **Three Police Officers union challenged the City position not to negotiate for collective bargaining:**

The Employer in this matter is in receivership and has no duty to bargain under P.A. 436 it has expressed unwillingness to bargain or participate in Act 312 arbitration in light of P.A. 436 Case Nos. D09 F-0703, D11 J-1169 and zd13 A-005

In re Valley Health Sys, 383 B.R. 156, 163 (Bankr C.D. Cal 2008). In this present case, the City was more egregious by not negotiating at all. In re Cotton Water and Sanitation District, Douglas County, Colo., 138 B.R. 973, 979 (Bankr. D. Colo 1992) **“plan referred to in 109(c) (4) is adjustment plan and disclosure statement negotiated pre-petition in good faith.”**

2. The City of Detroit/Kevyn Orr’s so-called Third Amended Order or second notice was not received by Hassan Aleem, Carl Williams and many others as well, nor was it posted or was any public notice given, as required by the 11 U.S.C. Section 923 of the Bankruptcy Code. **The creditors/appellants and others have a "public right" derived from a federal regulatory scheme. The Court reviewed the line of cases applying the public-rights doctrine to bankruptcy proceedings Stern v Marshall 131 S. Ct. 2594, 2613 (2011).**

3. Magistrate Judge Steven W Rhodes concealed the fact and deceived the people from knowing he was a Magistrate Judge over the age of 70 and had limited powers to address Constitutional issues that were presented at the commencement of this case. **The fact that the creditors never consented for Judge Rhodes is a violation of the Magistrate Act 28 USC 631. He also doesn’t have the authority to address “public rights” and cannot legally rule on “pension benefits” that are protected by the state Constitution because they**

are reserved to an Article III judge. He therefore, lacks authority because he is not an Article III Judge. He, thus, lacks jurisdiction and has denied the creditors, unions and pension members the opportunity to a fair and adequate hearing. *Goldberg v Kelly* 397 U.S. 254 90 S Ct 1011, 252 citing “The fundamental requisite of due process is the opportunity to be heard.” *Grannis v. Ordean*, 234 U.S. 385 394 (1914);

The notice and hearing must be “at a meaningful time and in a meaningful manner” *Armstrong v. Manzo*, 380 U.S. 545, 552 (1965).

(a) The so-called Third Amended Order Establishing Procedures, Deadlines and Hearing Dates Relating to the Debtor's Plan of Adjustment (Docket No. 3632) (the "Scheduling Order") did not legally notify, post, or convey the Third Amended Order or any of its requirements in a legal, fair and just manner, if at all.

4. The City of Detroit/Emergency Manager Kevyn Orr continues to use these sale pressure tactics and is not conducting business or proceeding through the bankruptcy process in a good faith manner, which contravened 11 U.S.C. 921 (c). The City of Detroit/Kevyn Orr as the Emergency Manager issued this so-called notice dated 4/08/14. Three days normally for mailing which is the eleventh (11th) (4/11/14) day is hardly enough and proper time to adequately

to address the notice. The average time in bankruptcy procedures is normally 14 days. The disclosure Statement is inadequate and is not in the best interest of the City or the creditors. A lot of these objections can not be resolve, until the City of Detroit/Kevyn Orr comply with the Bankruptcy Codes and Rules. It just only gives more control and authority to the State and its officials.

5. We object that Disclosure Statement meeting's and confer is nothing more than a "sham and canard" to have a meeting and conference, after the fact. The bankruptcy have been filed is like putting the horse before the cart. **This whole process has been tainted from the outset and is a farce when the Emergency Manager Kevyn Orr filed this case alleging the City of Detroit filed for Bankruptcy. When in fact the State filed bankruptcy through the Emergency Manager. That is nothing more than a deception to fool the people to defraud them under the disguise of an Emergency Manager to control the City of Detroit and its assets.**

6. We object to the Disclosure Statement and Amended Disclosure Statement also for some of the following examples and reasons:

a) **We object because the City of Detroit has failed to comply with 11 USC 1125 and 1126 and no proper and adequate notice and hearing on the "Disclosure Statement as was required."** This demonstrates the City of Detroit failed to conduct business in a good faith manner and failed to meet the requirement of the Bankruptcy Code 11 U.S.C. 923.

Therefore, the bankruptcy petition should be dismissed as provided by the Bankruptcy Code 921. See In re City of Stockton, California Ch 9, Case No. 2012-32118D.C. No. OHS-15, Pg 11-12.

b) We object to the pension trust in the Plan of Disclosure Statement and any reduction in the pension because all reductions have been too harsh and irrational, thus far.

c) We object to the Water Department going to the Great Lake Sewerage Authority or any authority.

d) We object to the funders of the DIA trust or any trust in this plan.

e) We object to the Disclosure Statement because it states the City can obtain funds for the demolition and blight. The Federal Government Housing Urban Development (HUD) has given the City of Detroit \$500,000,000.00 million dollars for demolition and blight. The City also has approximately, \$18,000,000,00 million dollars of homeowner insurance funds to tear down houses, so this is simply an excuse to raid the pension fund. The claim that they intend to tackle demolition and blight is dishonorable and a distortion of the truth and a deception to obtain funds under fraudulent concealment in violation of MCL 600.5855. The City has available on hand \$518,000, 000,00millions on hand for demolition and blight.

7) The Emergency Manager Kevyn Orr is not an elected official and only a municipality and elected official can legally file for bankruptcy.

8) We object to disclosure statement section or number 4 that the Bankruptcy Court may continue the hearing after this time and date without prior notice to parties, and can modify the disclosure statement prior to a hearing, during the hearing or as a result of a hearing without prior notice, thus, a violation of the Bankruptcy Code 11 U.S.C. 923. It states: "There Shall be given notice of the commencement of a case under this chapter, notice of an order for relief under this chapter, and notice of the dismissal of a case under this chapter. Such notice shall also be published at least once a week for three successive weeks in at least one newspaper of general circulation published within the district in which the case is commenced, and in such other newspaper having a general circulation among bond dealers and bondholders as the court designates. This also applies to the "Disclosure Statement" and "Plan of Adjustment" as well. These are grounds for a dismissal. In re Colorado Centre Metro, Dist. (1990, BC Dc colo) 113 BR 25, 7 Colo Bankr Ct Rep 77, 20 BCD 660, 23 CBC2d 397.

8) We object to disclosure statement section or number 4 that the Bankruptcy Court may continue the hearing after this time and date without prior notice to parties, and can modify the disclosure statement prior to a

hearing, during the hearing or as a result of hearing without prior notice, thus a violation of the Bankruptcy Code 11 U.S.C. 923. We reiterate, it states: "There Shall be given notice of the commencement of a case under this chapter, notice of an order for relief under this chapter, and notice of the dismissal of a case under this chapter. Such notice shall also be published at least once a week for three successive weeks in at least one newspaper of general circulation published within the district in which the case is commenced, and in such other newspaper having a general circulation among bond dealers and bondholders as the court designates. c) We object to the Water Department going to the Great Lake Sewerage Authority or any authority.

d) We object to the funders of the DIA trust or any trust in this plan.

10. The first Amended Order Establishing Procedures, Deadlines and hearing dates relating to the Debtor's Plan of Adjustment, was issued February 25, 2014 and the deadline of February 28, 2014, not even five days to respond is a joke. Now, you continue these same salesmen pressure tactics issuing this notice on April 8, 2014 where I and others received some of them April 9, 2014. A

conference without our consent or approval claiming it must be received no later than 24 hours is April 11, 2014 is also a joke. When you receive the notice on the 9th the latest to comply with 24 hours would be the 11th of April, and under the Federal Rules of Civil Procedures you are allowed three days just for mailing. I called the number they gave (216) 579 0212 and I only got a fax machine. The time to respond in bankruptcy proceedings is normally 14 days and in the Federal Rules of Civil Procedures you normally receive 20 or 21 days. The appellants/-creditors are not attorneys or skill in the legal profession and do not have enough time to consult legal assistant and advice. The deadline time lines is unreasonable for the average person and are unfair, to strangest and irrational and prejudice the proceedings and this case against the creditor, pensioners, retiree, and other citizens.

RELIEF REQUEST

In view of all the above facts and laws we demand and pray that this court grant the following request and demands: (1) that the court dissolve and disregards the Notice and Meet Confer Session regarding certain objections to the
